

Genoa Charter Township Voters,

I am writing this letter to endorse Clerk Rick Soucy in his effort to retain his position as Clerk for our Township in the upcoming election. I have been asked by many candidates to endorse them, and I have not. An endorsement is a huge deal to me, and I don't take this lightly.

In November of last year, our Clerk resigned and our Board needed to appoint a replacement. Clerk Soucy was an elected Trustee at the time, and he took the brave step to accept the role of Clerk. Since his appointment, he has transformed the Office of the Clerk into a smooth-running group that has recently proven their acumen for attention to detail and efficiency in our May 2026 election.

Clerk Soucy has a record of voting conservatively and in the best fiduciary interest of our Genoa Charter Township constituency. He has worked hard to seek out training and education opportunities that will help him grow in his role as Clerk. He has surrounded himself with highly qualified people in his office. He has proven himself to be a great asset to our Township, and he deserves to be retained as Clerk for Genoa Charter Township.

I voted for him to be appointed as Clerk and I will stand by that decision by voting for him in the upcoming primary and general elections, and I am asking you to do the same. We need to Retain Rick in his current position as Clerk....Please don't let our Township go backwards. Experience and Knowledge Matter!

Respectfully Submitted,

Todd Walker

Genoa Charter Township Trustee

Livingston County Republican Party Precinct 6 Delegate

Brighton Area Fire Authority Vice Chairman

SEMCOG Executive Committee Delegate
